Describe How the Program Supports Family Connections

Family is a vital part of the treatment team and is actively involved in all meetings.

Special Interventions Available Internally

Structured and nurturing residential environments are developed to meet each individuals specific needs in the least restrictive placement. A multidisciplinary approach ensures each client with a treatment team working together to develop a plan working toward meeting both short and long term goals.

Description of how the program exceeds licensure ratios

Program follows agencies guidelines as established in Policies and procedures.
