NECCO Lexington's Independent Living program is designed to provide support to 18 to 21 year olds who have made the decision to extend their commitment with the state. IL clients must be obtaining their GED, be enrolled in college full time, working full time, or attending college part time and working part time. Our apartments are located close to the bus line for the purposes of accessing community resources such as education/ employment. Currently, we have apartments located in Richmond and in Lexington. Youth will receive weekly Case Management which entails discussing progress towards achieving goals on their individual treatment plans. These goals include but are not limited to the following: education, employment, independent living skills, permanency, and health and wellness. All clients have access to 24/7 crisis support and local psychiatric providers can be accessed by youth if medication management or evaluation is needed.
